

## We're All Alone

Linda Eder

Outside the rain begins and it may never end  
So cry no more on the shore  
A dream will take us out to sea  
Forever more, forever more  
Close your eyes and dream and you can be with me  
'Neath the waves through the caves of hours  
Long forgotten now  
We're all alone, we're all alone  
Close the window, calm the light  
And it will be all right, no need to bother now  
Let it out, let it all begin  
Learn how to pretend  
Once a story's told it can't help but grow old  
Roses do, lovers too  
So cast your seasons to the wind  
And hold me dear, oh, hold me dear  
Close the window, calm the light  
And it will be all right, no need to bother now  
Let it out, let it all begin, all's forgotten now  
We're all alone, we're all alone  
Close the window, calm the light  
And it will be all right, no need to bother now  
Let it out, let it all begin, all's forgotten now  
But love, we're all alone, we're all alone
