Outside the rain begins and it may never end So cry no more on the shore A dream will take us out to sea Forever more, forever more Close your eyes and dream and you can be with me 'Neath the waves through the caves of hours Long forgotten now We're all alone, we're all alone Close the window, calm the light And it will be all right, no need to bother now Let it out, let it all begin Learn how to pretend Once a story's told it can't help but grow old Roses do, lovers too So cast your seasons to the wind And hold me dear, oh, hold me dear Close the window, calm the light And it will be all right, no need to bother now Let it out, let it all begin, all's forgotten now We're all alone, we're all alone Close the window, calm the light And it will be all right, no need to bother now Let it out, let it all begin, all's forgotten now But love, we're all alone, we're all alone
