

# Fruitloop Daydream

Linda Perry

This ain't no walk in park  
But I call it my home  
And you're all invited

Waking up in the dark  
Knowing I'm not alone  
It's all so familiar

I Got the trees in the sky  
Got the grass in my toes  
I got no tomorrows

Got the diolated eyes  
And a couple of No-Doze

It's a happy feeling  
The drag queens  
The speed freaks  
All the homo boys they touch me baby  
Tainted love

The park on a Sunday afternoon

Fruitloop Daydream

Bring your life in a sack  
You can come with us too  
It's a happy family

Trade your crack for some crack  
Change your groove for some groove  
It's a poor man's party

The Dozers  
The posers  
All the rich kids with their candy noses

Hey mister  
Spare a sister some change

Fruitloop Daydream

This ain't no walk in park  
But I call it my home  
And you're all invited

Waking up in the dark  
Knowing I'm not alone  
It's all so familiar  
The drag queens  
The speed freaks  
All the homo boys they touch me baby  
Tainted love

The park on a Sunday afternoon
