After the Gold Rush

Linda Ronstadt

Well I dreamed I saw the knights in armor coming Sayin' something about a queen There were peasants singing and drummers drumming And the archer split the tree

There was a fanfare blowing to the sun There was floating on the breeze

Look at Mother Nature on the run In the twentieth century Look at Mother Nature on the run In the twentieth century

I was lying in a burned out basement With the full moon in my eyes
I was hoping for replacement
When the sun burst through the sky

There was a band playing in my head And I felt like I could cry

I was thinking about what a friend had said I was hoping it was a lie Thinking about what a friend had said I was hoping it was a lie

I dreamed I saw the silver spaceships flying In the yellow haze of the sun There were children crying and colors flying All around the chosen ones

All in a dream, all in a dream The loading had begun

Flying Mother Nature's silver seed To a new home in the sun Flying Mother Nature's silver seed To a new home
