

# All That You Dream

Linda Ronstadt

I've been down but not like this before  
Can't be 'round this kind of show no more

All, all that you dream  
Comes through shining silver lining clouds  
Clouds change the scene  
Rain starts washing all those cautions into your life  
Makes you realize just what is true  
What else can you do  
Just follow the rules  
Keep your eyes on the road that's ahead of you

I've been down but not like this before  
Can't be 'round this kind of show no more

All of the good times were ours  
In the land of milk and honey  
Time, time adds its scars  
Rainy days they turn to sunny ones  
Living the life, living the life, loving everyone

I've been down but not like this before  
Can't be 'round this kind of show no more  
I've been down but not like this before  
Can't be 'round this kind of show no more
