

# Baby, You've Been on My Mind

Linda Ronstadt

It might be the color of the sun cut flat  
And covering the crossroads I'm standing at  
Or maybe it's the weather or something like that  
Cause baby you've been on my mind

I don't mean trouble, please don't put me down  
Don't get upset, I am not pleading  
Or saying I can't forget you  
Well it don't even matter who you awaken with tomorrow  
Cause baby you've been on my mind

When you wake up in the morning baby look inside your mirror  
Oh you know I won't be next to you  
You know I won't be near  
I'll just be curious to know if you can see yourself as clear  
As someone who has had you on her mind

It might be the color of the sun cut flat  
And covering the crossroads I'm standing at  
Or maybe it's the weather or something like that  
Cause baby you've been on my mind

Baby you've been on my mind

Baby you've been on my mind
