Cry Me a River

Linda Ronstadt

Now you say you're lonely You cried the whole night through Well you can cry me a river, cry me a river I cried a river over you

Now you say you're sorry For being so untrue Well you can cry me a river, cry me a river I cried a river over you

You drove me, nearly drove me out of my head While you never shed a tear
Remember, I remember all that you said
Told me love was too plebeian
Told me you were through with me and

Now you say you love me
Well just to prove you do
Come on and cry me a river, cry me a river
I cried a river over you

You drove me, nearly drove me out of my head While you never shared a tear Remember, I remember all that you said Told me love was too plebeian Told me you were through with me and

Now you say you love me Well just to prove you do Come on and cry me a river, cry me a river I cried a river over you

I cried a river over you I cried a river over you
