

## Day Dream

Linda Ronstadt

Funny the way that I feel now  
Can't keep my feet on the ground  
Everything seems unreal now  
When you're not around

Day dream, why do you haunt me so  
Deep in a rosy glow  
The face of my love you show

Day dream, I walk along on air  
Building a castle there  
For me and my love to share

Don't know the time  
Lordy, I'm in a daze  
Sun in the sky  
While I moon around, feeling hazy

Day dream, don't break my reverie  
Until I find that he  
Is daydreaming just like me

Don't know the time  
Lordy, I'm in a daze  
Sun in the sky  
While I moon around, feeling hazy

Day dream, don't break my reverie  
Until I find that he  
Is daydreaming just like me
