## **Dedicated to the One I Love**

## Linda Ronstadt

While I'm far away from you, my baby I know it's hard for you, my baby Because it's hard for me, my baby And the darkest hour is just before dawn

Each night before you go to bed, my baby Whisper a little prayer for me, my baby And tell all the stars above This is dedicated to the one I love

Life can never be Exactly like we want it to be It makes me happy Just knowing that you love me

There's one thing I want you to do Especially for me And it's something that everybody needs

Each night before you go to bed, my baby Whisper a little prayer for me, my baby And tell all the stars above This is dedicated to the one I love
