

## Don't Talk (Put Your Head On My Shoulder)

Linda Ronstadt

I can hear so much in your sighs  
And I can see so much in your eyes  
There are words we both could say

Don't talk, put your head on my shoulder  
Come close, close your eyes and be still  
Don't talk, take my hand and let me hear your heart beat

Being here with you feels so right  
We could live forever tonight  
Let's not think about tomorrow

And don't talk, put your head on my shoulder  
Come close, close your eyes and be still  
Don't talk, take my hand and listen to my heart beat  
Listen  
Listen  
Listen

Don't talk, put your head on my shoulder  
Don't talk, close your eyes and be still  
Don't talk, put your head on my shoulder  
Don't talk, close your eyes and be still
