## Don't Talk (Put Your Head On My Shoulder)

Linda Ronstadt

I can hear so much in your sighs And I can see so much in your eyes There are words we both could say

Don't talk, put your head on my shoulder Come close, close your eyes and be still Don't talk, take my hand and let me hear your heart beat

Being here with you feels so right We could live forever tonight Let's not think about tomorrow

And don't talk, put your head on my shoulder Come close, close your eyes and be still Don't talk, take my hand and listen to my heart beat Listen Listen

Don't talk, put your head on my shoulder Don't talk, close your eyes and be still Don't talk, put your head on my shoulder Don't talk, close your eyes and be still
