How Do I Make You

Linda Ronstadt

You're a doll Your eyes see all And how do I make you How do I make you How do I make you Wanna see me You're so young But your feelings are deep And how do I make you How do I make you How do I make you Feel for me You put your head on my pillow And you're fast asleep And how do I make you How do I make you How do I make you Dream about me Ooh, ooh Ooh, ooh, baby The world's a wall of ice You're gonna need someone To treat you warm and keep you nice I like the way you dance The way you spin And how do I make you How do I make you How do I make you Spin for me You put your head on my pillow And you're fast asleep And how do I make you How do I make you How do I make you Dream about me Dream about me Dream about me Whoooa, dream about me Dream about me Whoooa, dream about me Dream about me Whoooa, dream about me Dream about me
