

# I'm Leavin' It All Up To You

Linda Ronstadt

I'm leaving it all up, up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through

That's why I'm leaving it up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through

Here's my heart in my hand  
And I, I don't understand  
What did I, what have I done wrong  
You know I worship the ground you walk on

That's why I'm leaving it up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through
