

I'm Leaving It All Up to You

Linda Ronstadt

I'm leaving it all up, up to you
You decide what you're gonna do
Now do you want my love
Or are we through?

That's why I'm leaving it up to you
You decide what you're gonna do
Now do you want my love
Or are we through?

Here's my heart in my hand
And I, I don't understand
What did I, what have I done wrong?
You know I worship the ground you walk on

That's why I'm leaving it up to you
You decide what you're gonna do
Now do you want my love
Or are we through?
