## **I Still Miss Someone**

## Linda Ronstadt

Round my door the leaves are falling A cold wild wind will come Sweethearts walk by together And I still miss someone

No I never got over those blue eyes I see them everywhere I miss those arms that held me When all the love was there

I wonder if he's sorry For leaving what we'd begun There's someone for me somewhere But I still miss someone

No I never got over those blue eyes I see them everywhere I miss those arms that held me When all the love was there
