## I've Never Been in Love Before

## Linda Ronstadt

I've never been in love before Now all at once it's you It's you forevermore

I've never been in love before I thought my heart was safe I thought I knew the score

But this is wine That's all too strange and strong I'm full of foolish song And out my song must pour

So please forgive this helpless haze I'm in I've really never been in love before

But this is wine That's all too strange and strong I'm full of foolish song And out my song must pour

So please forgive this helpless haze I'm in I've really never been in love before
