## It's Too Soon to Know

## Linda Ronstadt

Does he love me It's too soon to know Can I believe him When he tells me so And is he fooling Is this all a game Am I the fire Or just another flame

A one-sided love would break my heart He may be just acting and playing a part If he don't love me Let him tell me so And I can't hold him If he wants to go And though I'll cry When he's gone I won't die I'll live on If it's so It's too soon Way too soon to know

And though I'll cry When he's gone I won't die I'll live on If it's so It's too soon Way too soon to know
