

It Won't Be Easy

Linda Ronstadt

You can leave me free
You can try to make it on your own
But you won't find peace, dear
You can leave me free
You can try to make it all alone
But it won't be easy

It won't be easy, you won't be satisfied
You weren't meant to be alone
It won't be easy, you lie awake at night
And wish that you were home

You can leave me free
You can go and have a look around
But you won't find peace, dear
You can leave me free
You can leave everything we've found
But it won't be easy

It won't be easy, you won't be satisfied
You weren't meant to be alone
It won't be easy, you lie awake at night
And wish that you were home

You can leave me free
You can cross the mountains to the east
But the valleys won't be greener
If you come back to me
We can try to find what we have missed
But it won't be easy

It won't be easy, you won't be satisfied
You weren't meant to be alone
It won't be easy, you walk the streets at night
And wish that you were strong
