Love Is a Rose

Linda Ronstadt

Love is a rose but you better not pick it Only grows when it's on the vine Handful of thorns and you'll know you've missed it Lose your love when you say the word mine

I wanna see what's never been seen
I wanna live that age-old dream
Come on boy let's go together
Let's take the best right now

Love is a rose but you better not pick it Only grows when it's on the vine Handful of thorns and you'll know you've missed it Lose your love when you say the word mine

I wanna go to an old hoedown

Long ago in a western town

Pick me up 'cause my feet are dragging

Give me a lift and I'll hay your wagon

Love is a rose but you better not pick it Only grows when it's on the vine Handful of thorns and you'll know you've missed it Lose your love when you say the word mine

Love is a rose but you better not pick it Only grows when it's on the vine Handful of thorns and you'll know you've missed it Lose your love when you say the word mine

Mine
