## **Mohammed's Radio**

## Linda Ronstadt

Everybody's restless And they got no place to go Someone's always trying to tell them Something they already know So their anger and resentment flow

Don't it make you want to rock and roll All night long Mohammed's radio I heard somebody singing sweet and soulful On the radio Mohammed's radio

You know the sheriff's got his problems too And he will surely take them out on me and you In walks the village idiot and her face is all aglow Because she's been up all night listening to Mohammed's radio

Don't it make you want to rock and roll All night long Mohammed's radio I heard somebody singing sweet and soulful On the radio Mohammed's radio

Everybody's desperate Trying to make ends meet Work all day still can't pay The price of gasoline and meat Alas their lives are incomplete

Don't it make you want to rock and roll All night long Mohammed's radio I heard somebody singing sweet and soulful On the radio Mohammed's radio

You've been up all night just listening for his drum Hoping that the righteous might just might just might just might just come I heard the general whispering to his aide de camp Be watchful for Mohammed's lamp

Don't it make you want to rock and roll All night long Mohammed's radio I heard somebody singing sweet and soulful On the radio Mohammed's radio
