

# Rock Me On the Water

Linda Ronstadt

Oh people look around you  
The signs are everywhere  
You left him for somebody other than you  
To be the one to care

You're lost inside your houses  
There's no time to find you now  
Oh your walls are burning  
And your towers are turning  
I've gotta leave you here  
And try to get down to the sea somehow

Rock me on the water  
Sister won't you soothe my fevered brow  
O-oh rock me on the water  
Gotta get down to the sea somehow

The road is filled with homeless souls  
Every woman child and man  
Who have no idea where they will go  
But they'll help you if they can

Now everyone must have some thought  
That's gonna pull them through somehow  
Well the fires are raging hotter and hotter  
But the sisters of the sun  
Are gonna rock me on the water now

Rock me on the water  
Sister won't you soothe my fevered brow  
O-oh rock me on the water  
I gotta get down to the sea somehow

Oh people look among you  
It's there your hope must lie  
There's a seabird above you gliding in one place  
Like Jesus in the sky  
We all must do the best we can  
And then hang onto that gospel cloud  
When my life is over  
Gonna stand for the father  
But the sisters of the sun  
Are gonna rock me on the water now

Rock me on the water  
Sister won't you soothe my fevered brow  
O-oh rock me on the water  
Then maybe I'll remember  
Maybe I'll remember how

Rock me on the water  
The wind is with me now  
O-oh rock me on the water  
Gotta get down to the sea somehow  
I gotta get down to the sea somehow
