

Simple Man, Simple Dream

Linda Ronstadt

What if I fall in love with you
Just like normal people do
Well maybe I'd kill you
Or maybe I'd be true

When I go down to get a job sometime
It seems people can read my mind
And make money disappear
While they're talking sweet and kind

Well in some ways I am like a child
You never seemed to know it
And if a kind word ever crossed your mind
You never tried to show it

Well in some ways I am like a child
You never seemed to know it
And if a kind word ever crossed your mind
You never tried to show it

When people don't know what you mean
They may laugh at you and call you green
They'll say your words are stupid
And your plans are only schemes

Truth is simple
But seldom ever seen
Let nothing come between
Simple man, simple dream
