

# Still Within the Sound of My Voice

Linda Ronstadt

Where have you gone my darling one?  
Are you on your own? Are you having fun?  
Is there someone to hold when you need it bad?  
Is it uncontrolled like the love we had?

Does the day go by like a memory?  
Do you ever try to remember me  
In an automobile or a crowded bar?  
Well, I hope you're all right wherever you are

And if you're still within the sound of my voice over some radio  
I just want you to know, you were always my only choice  
And wherever you go that I still love you so  
If you're still within the sound of my voice

In the dead of night, do you hear me call?  
Something's not quite right, no one's there at all  
Did you make a mistake? Was it in your head?  
Or was it really me talking to your heart instead?

And if you're still within the sound of my voice, watching this video  
I just want you to know that it always made me rejoice  
Just to have you so near, there's a place for you here  
If you're still within the sound of my voice

I am calling like the echo of a passing train that cries  
One last time before it fades into the distant hills and dies  
I am sending out a message like a ship out on the sea  
In distress but only you can send a lifeline out to me

Are you still within the sound of my voice? Why don't you let me know?  
I just can't let you go, if it's wrong then I have no choice  
But to love you until, I no longer have a will  
Are you still within the sound of my voice?

I am calling like the echo of a passing train that cries  
One last time before it fades into the distant hills and dies
