Teardrops Will Fall

Linda Ronstadt

I read your letter Tears filled my eyes All of your promises failing Nothing but lies So I turned your photograph over face to the wall And when I dim the light in my room tonight Teardrops will fall

Teardrops will fall tonight Tears I can't hide Tears that I tried to keep deep down inside Tears from the love that's gone beyond recall And when I dim the lights in my room tonight Teardrops will fall

I'm going to pray tonight baby Hoping you will hear Maybe you'll right the wrong and dry each tear I'll sit alone tonight hoping you will call And when I dim the light in my room tonight Teardrops will fall

Teardrops will fall tonight Tears I can't hide Tears that tried to keep deep down inside Tears from the love that's gone beyond recall And when I dim the light in my room tonight Teardrops will fall When I dim the light in my room tonight Teardrops will fall
