

# The Dark End of the Street

Linda Ronstadt

At the dark end of the street  
That's where we always meet  
Hiding in shadows where we don't belong  
Living in darkness, to hide our wrong, you and me

At the dark end of the street  
Just you and me

I know that time is gonna take it's toll  
We gonna pay for the love we stole  
Ah, it's a sin and we know that it's wrong  
Ah, but our love keeps coming on strong, you and me

At the dark end of the street  
Just you and me

They're gonna find us, they're gonna find us  
They're gonna find us someday  
We steal away to the dark end of the street  
Just you and me

If you take a walk downtown  
And you find some time to look around  
If you should see me and I walk on by  
Oh, darling please don't cry, tonight we'll meet

At the dark end of the street  
Just you and me, oh you and me  
Oh, God, you and me
