

## Trouble Again

Linda Ronstadt

Well I wake up in the night now  
And don't you know I think of you  
It's the fire in your eyes  
That keeps on cutting through  
There's nowhere I can run to  
Can't seem to lose the thought of you  
I never really was a bad girl  
But you got me in trouble again

Well I used to walk the straight line  
I knew what I was doing all the time  
There was nothing left to move me  
I always held my ground  
But you got me where you want me  
And now you're always here to haunt me  
I never really was a bad girl  
But you got me in trouble again

I still remember how it felt when you put your arms around me  
But if I thought you could love me, I was blind

But you got me where you want me  
And now you're always here to haunt me  
I never really was a bad girl  
But you got me in trouble again

Well you'd think I would've learned by now  
And I'd keep away from you somehow  
Just like a little child  
I keep coming back for more  
But baby when you come today  
Don't you know that I'll come out and play  
I never really was a bad girl  
But you got me in trouble again  
I never really was a bad girl  
But you got me in trouble again  
Woah I never really was a bad girl  
But you got me in trouble again
