

## White Rhythm & Blues

Linda Ronstadt

I don't want you to hold me tight  
Till you're mine to hold  
And I don't even want you to stay all night  
Just until the moon turns cold

All I need is black roses  
White rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues

You say that somebody really loves you  
You'd find her if you just knew how  
But honey, everyone in the whole wide world  
Is probably asleep by now

And they're dreaming of  
Black roses, white rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues

Close your eyes  
Sleep away all your blues  
I've done everything but lie  
Now I don't know what else I can do

Ah, the night time sighs and I hear myself  
But the words just stick in my throat  
Would you think that somebody like me  
Might hurt much more than it shows

Just send me black roses  
White rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues  
Black roses, white rhythm and blues
