

# Freedom Square

Lindisfarne

Please Captain, let me go down town  
It's Sunday and my friends will be around  
I've been to church like I'm supposed to do  
And I prayed that my girl is gonna be there too  
Cos Jesus said to me,  
One day you'll be free,  
But for now every Sunday, there's dancing in the square,  
We'll sing our fathers' songs and there'll be freedom in the ai  
r  
We'll plant a seed and maybe it'll grow  
So please Captain, let me go

And that's right, that's right, going down to Freedom Square  
That's right, that's right, that's right  
And that's right, that's right, gonna meet my people there  
That's right, that's right, that's right

Well I slaved all week and the day has come around  
When I can slip these chains and lay my burden down  
On Freedom Square, Old Hannah shine on bright  
On the working man and make him feel alright  
Today we're on our own,  
We're taking it back home  
And up from the plantation, the line is coming through  
Like they're dancing in their shackles, the way they used to do  
And every step they take is gonna be  
One further down the road for you and me

And that's right, that's right, going down to Freedom Square  
That's right, that's right, that's right  
And that's right, that's right, gonna meet my people there  
That's right, that's right, that's right
