

# A Little More Personal

Lindsay Lohan

No, I like when people talk in the beginning of songs,  
I think thats kind of rad,

I don't think you should use it

well, something kind of introspective,  
something that means a little bit to me,

like a little more...

...Personal?

You say you gotta go, but what does that mean?  
Do you wanna be together or is it just me?  
Sometimes I think you're in, until I think you're out  
It's like i'm swimming in the deep end, pull me out  
Wanted to feel, want you to know,  
Wanted to steal a little piece of heaven, I could call my own

Could we try a little more personal?  
Can we throw away all the casual,  
Cause the more I know about you, and the more you know about me  
It's easier to be, a little more personal

It's like we do a dance when no one wants to move,  
But if I take the first step, maybe we can find a groove,  
I'm really trying hard, to not just walk away  
I think that its about time someone said  
Want me to feel want me to know  
Wanted to steal a little piece of heaven I can call my own

Can we try a little more personal  
Can we throw away all the casual  
Cuz the more I know about you and the more you know about me  
It's easier to be a little more personal

I wanna know what goes on in your mystery  
I think that I could have the key to unlock everything

Can we try a little more personal  
Cuz the more I know about you and the more you know about me  
It's easier to be a little more personal

Can we try a little more personal  
Can we throw away all the casual  
Cuz the more i know about you and the more you know about me  
It's easier to be a little more personal

You say you gotta go but what does that mean  
Do you wanna be together or is it just me
