Confessions of a Broken Heart (Daughter to Father)

Lindsay Lohan

I wait for the postman to bring me a letter I wait for the good Lord to make me feel better And I carry the weight of the world on my shoulders A family in crisis that only grows older

Why'd you have to go Why'd you have to go Why'd you have to go

Daughter to father, daughter to father I am broken but I am hoping Daughter to father, daughter to father I am crying, a part of me is dying and These are, these are The confessions of a broken heart

And I wear all your old clothes, your polo sweater I dream of another you The one who would never (never) Leave me alone to pick up the pieces A daddy to hold me, that's what I needed

So why'd you have to go Why'd you have to go Why'd you have to go!!

Daughter to father, daughter to father I don't know you, but I still want to Daughter to father, daughter to father Tell me the truth, did you ever love me Cause these are, these are The confessions of a broken heart

I love you, I love you I love you I....!!!!! I love you!!

Daughter to father, daughter to father I don't know you, but I still want to Daughter to father, daughter to father Tell me the truth... Did you ever love me!!!? Did you ever love me? These are.... The confessions...of a broken heart Ohhh....yeah
