

# I Am Waiting

Lindsey Buckingham

I am waiting, I am waiting  
Oh yeah Oh yeah  
I am waiting, I am waiting  
Oh yeah Oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

You can't hold out, you can't hold out  
Oh yeah Oh yeah  
You can't hold out, you can't hold out  
Oh yeah Oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

See it come along  
Don't know where it's from  
Oh yes you will find out  
Like a winter storm  
Fear will pierce your bones  
You'll find out

Slow or fast, slow or fast  
Oh yeah Oh yeah  
Slow or fast, slow or fast  
Oh yeah Oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

See it come along  
Don't know where it's from  
Oh yes you will find out  
Like a winter storm  
Fear will pierce your bones  
You'll find out

Oh we're waiting, oh we're waiting  
Oh yeah Oh yeah  
Oh we're waiting, oh we're waiting  
Oh yeah Oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

Oh we're waiting
