

Johnny Stew

Lindsey Buckingham

Johnny, oh Johnny, where do you roam?
We'll always remain here, so don't leave us alone.
Some say they knew him and some just left him alone.
Johnny, oh Johnny, where do you roam?

Johnny, Johnny, Johnny
Everybody's talking about the amazing Johnny Stew

Johnny, Johnny, Johnny
Everybody's talking about the amazing Johnny Stew

It takes a worried man now, to sing a worried song.
Johnny, oh Johnny, I know you were not wrong
