

Love From Here, Love From There

Lindsey Buckingham

Sensation sweet at my feet
Such a strong appetite
With love from here, love from there
You only get one bite

With love from here, love from there
When everybody went stag
With love from here, love from there
Everybody was a drag

Sensation sweet at my feet
Working up to the loin
With love from here, love from there
They look you straight in the groin

With love from here, love from there
When everybody went stag
With love from here, love from there
Everybody was a dra
