

## Love From Here, Love From There

Lindsey Buckingham

Sensation sweet at my feet  
Such a strong appetite  
With love from here, love from there  
You only get one bite

With love from here, love from there  
When everybody went stag  
With love from here, love from there  
Everybody was a drag

Sensation sweet at my feet  
Working up to the loin  
With love from here, love from there  
They look you straight in the groin

With love from here, love from there  
When everybody went stag  
With love from here, love from there  
Everybody was a dra
