Monday Morning

Lindsey Buckingham

Monday morning you look so fine Friday I got travelin on my mind First you love me, then you fade away I can't go on believin' this way I got nothing but love for you So tell me what you really wanna do First you love me then you get on down the line But I don't mind. I dont't mind I'll be there if you want me to No one else that could ever do Got to get some peace in my mind.

Monday morning you look so fine Friday I got travelin on my mind First you love me then you say it's wrong I can't go on believing for long But you know it's true You only want me when I get over you First you love me then you get on down the line But I don't mind I don't mind I'll be there if you want me to No one else that could ever do Got to get some peace in my mind
