

# Surrender The Rain

Lindsey Buckingham

Oh you foolish pretender  
Somebody's calling your name  
Foolish pretender, oh won't you surrender  
The rain, the rain?

All those colors are changing  
The chance won't come again  
Foolish pretender, oh won't you surrender  
The rain, the rain?

Fly, fly away home  
Fly, or you'll turn to stone

Oh, you foolish pretender  
Why do you remain?  
Foolish pretender, oh won't you surrender  
The rain, the rain?

Silence of stone  
Memory of shame  
Fly away home

Surrender the reign  
Surrender the reign  
Surrender the rain
