We're sailing
We're sailing aren't we?
Its hard to tell the water from my tears
Don't worry
Have faith they told me
It was easier than in my younger years

Now than I'm older, now that it's colder Life keeps on crashing Day after day, like a wave after wave We did everything right and now i'm asking

Where do we go? oh
When our prayers are answered
Where do we go? oh
When our prayers are answered but the answer isn't no

Tell me where the wind blows Tell me where the wind goes Where do we go?

We're dreaming
We're dreaming aren't we?
'Cause you're still with me sometimes when I sleep
This hallway, I'll walk it bravely
And all the cliffs and faultlines in between

Now than I'm older, now that it's colder Life keeps on crashing Day after day, like a wave after wave We did everything right and now i'm asking

Where do we go? oh
When our prayers are answered
Where do we go? oh
When our prayers are answered but the answer isn't no

Tell me where the wind blows Tell me where the wind goes Where do we go?

Now than I'm older, now that it's colder Life keeps on crashing Day after day, like a wave after wave We did everything right and now I'm asking

Where do we go? oh
When our prayers are answered
Where do we go? oh
When our prayers are answered but the answer isn't no

Tell me where the wind blows Tell me where the wind goes Where do we go?
