

Fist

Linea 77

I 've got a monkey in my brain !
Shut it up! Shut it up! Shut it up!
My car, the wind, one cigarette!
Go! Gasoline!
Tonight i'm gonna give my teeth to a fist!
Reload.....on my face.
Provokin' and nauseatin'!
Wheels on fire!
Whatta f**k you want?
I don't give a shit of your muscles!
Tonight i'm gonna give my teeth to a fist !
Give me a fist !
Reload.....on my face.
Go!
Another night with my monkey!
Another night spent
f**kin' up my brain!
...cuz tonight i've got a gift for you,
here they are...my teeth!
...for a fist...
give me, give me, give me...
give me a fist!

Music is loud,
my head is full!
It's my blood lady..
lick it! Lick it! Lick it!
Tonight i'm gonna give my teeth to a fist!
Now i can die !
Hello, i born again...
i'm jesus christ, i'm jesus christ, i'm jesus christ...
and i'm going to hell!
To loose my teeth,
i'm havin fun destroying myself!
Tonight,
...cuz you can live without me!
Reload.....on my stomach !
Another night with my monkey!
Another night spent
f**kin' up my brain!
...cuz tonight i've got a gift for you,
here they are...my teeth!
...for a fist...
give me, give me, give me...
give me a fist!
