

# To Protect And Serve

Linea 77

Welcome to this world guys  
Stop to talk we skatch your face  
Close your eyes got the bassy step to call  
[What?]  
Close your eyes got the bassy step to call  
Fearless now  
And get ready for all  
We need flash to satisfied the win  
Of a coldgey man  
Of a coldgey stay man  
Talk to me like you talk to a baby  
Tell me your reason,then  
I will fight for you  
I will care for you  
So afraid I'm afraid I'm afraid I'm afraid to die  
I don't know why  
I'm afraid I'm afraid I'm afraid for you  
RIT.  
Cause I burn my life for you  
[]  
Now I can understand your words  
No reaction no reaction no reaction LA LA LA LA LA  
Burn my life for you  
[]  
Now I can understand your words  
No reaction no reaction no reaction LA LA LA LA LA  
  
Ehy say I'm just to follow you  
To follow you in a middle  
Let's go wear  
Looking for the water  
Escape to them  
Somebody told me that I'm there  
Just to keep something clean to this machine  
We swallow in me  
A lie they say everything is fine  
But I don't know why  
Now things seems to go the right way for me  
So afraid I'm afraid I'm afraid I'm afraid to die  
I don't know why  
I'm afraid I'm afraid I'm afraid for you  
RIT.X2  
  
Now I can understand your words  
No reactions no reactions  
Now I can understand your words  
No reaction  
Now I can understand your words  
No reaction no reactions  
Now I can understand your words  
No reactions now  
Now I can understand your words  
No reactions no reactions  
Now I can understand your words  
No reactions no reactions...
