

# Blackout

Linkin Park

I'm stuck in this bed you made  
Alone with a sinking feeling  
I saw through the words you said  
To the secrets you'd been keeping  
It's written upon your face  
All the lies how they cut so deeply  
You can't get enough you take and take and take and never say

No, you gotta get it inside  
You push it back down  
You push it back down  
No, you'll never get it inside  
Push it back down  
Blackout  
Blood in your eye

You say that it's not your fault  
And swear that I am mistaken  
You said it's not what it seems  
No remorse for the trust you're breaking  
You run but then back you fall  
Suffocate from the mess your making  
You can't get enough you take and take and take and take  
Fuck it, are you listening?

No, you gotta get it inside  
You push it back down  
You push it back down  
No, you'll never get it inside  
Push it back down  
You push it back down  
No, you gotta get it inside  
You push it back down  
You push it back down  
No you'll never get it inside  
Push it back down  
Blackout  
Blood in your eye

Floating down  
As colors fill the light  
We look up from the ground  
In fields of paper-white  
And floating up  
You passed us in the night  
A future gazing out  
A past to overwrite  
So come down  
Far below  
We've been waiting to collect the things you know  
Come down  
Far below  
We've been waiting to collect what you've let go  
Come down, oh  
Come down, oh  
Come down, oh  
Come down, oh

Come down, oh
