

# Burn It Down

Linkin Park

The cycle repeated  
As explosions broke in the sky  
All that I needed  
Was the one thing I couldn't find

And you were there at the turn  
Waiting to let me know

We're building it up  
To break it back down  
We're building it up  
To burn it down  
We can't wait  
To burn it to the ground

The colors conflicted  
As the flames climbed into the clouds.  
I wanted to fix this  
But couldn't stop from tearing it down.

And you were there at the turn  
Caught in the burning glow  
And I was there at the turn  
Waiting to let you know

We're building it up  
To break it back down  
We're building it up  
To burn it down  
We can't wait  
To burn it to the ground

You told me, "Yes"  
You held me high  
And I believed when you told that lie  
I played soldier, you played king  
And struck me down, when I kissed that ring  
You lost that right, to hold that crown  
I built you up, but you let me down  
So when you fall, I'll take my turn  
And fan the flames  
As your blazes burn

And you were there at the turn  
Waiting to let me know

We're building it up  
To break it back down  
We're building it up  
To burn it down  
We can't wait  
To burn it to the ground

When you fall, I'll take my turn  
And fan the flames  
As your blazes burn

We can't wait  
To burn it to the ground

When you fall, I'll take my turn  
And fan the flames  
As your blazes burn

We can't wait  
To burn it to the ground
