

# Final Masquerade

Linkin Park

Tearing me apart with words you wouldn't say  
And suddenly tomorrow's a moment washed away  
'Cause I don't have a reason and you don't have the time  
We both keep on waiting for something we won't find

The light on the horizon was brighter yesterday  
Shadows floating over, the scars began to fade  
We said it was forever but then it slipped away  
Standing at the end of final masquerade  
Final masquerade

All I've ever wanted, the secrets that you keep  
All you've ever wanted, the truth I couldn't speak  
'Cause I can't see forgiveness, and you can't see the crime  
And we both keep on waiting for what we left behind

The light on the horizon was brighter yesterday  
Shadows floating over, the scars began to fade  
We said it was forever but then it slipped away  
Standing at the end of the final masquerade

Final masquerade

Final masquerade

Standing at the end of final masquerade

The light on the horizon was brighter yesterday  
Shadows floating over, the scars began to fade  
We said it was forever but then it slipped away  
Standing at the end of the final masquerade

Oh

Oh

Standing at the end of the final masquerade

Oh

Oh

Standing at the end of the final masquerade

Final masquerade

Oh
