

# In Between

Linkin Park

1. Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to be genuine was harder than it seemed  
And somehow I got caught up in between
2. Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to be someone else was harder than it seemed  
And somehow I got caught up in between
- R: Between my pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none
3. Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to regain your trust was harder than it seemed  
And somehow I got caught up in between
- R: Between my pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none  
The only thing that's worse than one is none
- \*: And I cannot explain to you in anything I say or do or plan,  
Fear is not afraid of you, but guilt's a language you can understand  
I cannot explain to you in anything I say or do  
but hope the actions speak the words they can
- R: For my pride and my promise  
For my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is...
- R: ...pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none  
The only thing that's worse than one is none  
The only thing that's worse than one is none
