

When you were standing in the wake of devastation  
When you were waiting on the edge of the unknown  
And with the cataclysm raining down  
Insides crying, "Save me now!"  
You were there, impossibly alone

Do you feel cold and lost in desperation?  
You build up hope, but failure's all you've known  
Remember all the sadness and frustration  
And let it go. Let it go

And in a burst of light that blinded every angel  
As if the sky had blown the heavens into stars  
You felt the gravity of tempered grace  
Falling into empty space  
No one there to catch you in their arms

Do you feel cold and lost in desperation?  
You build up hope, but failure's all you've known  
Remember all the sadness and frustration  
And let it go. Let it go

Do you feel cold and lost in desperation?  
You build up hope, but failure's all you've known  
Remember all the sadness and frustration  
And let it go. Let it go

Let it go  
Let it go  
Let it go  
Let it go

Do you feel cold and lost in desperation?  
You build up hope, but failure's all you've known  
Remember all the sadness and frustration  
And let it go. Let it go
