A-one, a-two, a-one, two, three, four Uh, this song's about jellyfish And their bellyfish Ain't no foolyfish I don't droolyfish Goes like this:

Jelly, jelly, jellyfish When you squeeze me, I go squish Peanut butter jellyfish Put me onto your sandwich

Said jelly, jelly, jellyfish When you squeeze me, I go squish 'Cause I'm a jellyfish I'm a jellyfish

My friends are fish and they go to school
They think I'm crazy and they think I'm cool
'Cause I'm a jellyfish
I'm a jellyfish

Jelly, jelly, jellyfish
When you squeeze me, I go squish
'Cause I'm a jellyfish
I'm a jellyfish

Got no eyes, I got no head
I've got no house, I got no bed
'Cause I'm a jellyfish
I'm a jellyfish
Jellyfish
