

# Sharp Edges

Linkin Park

Mama always told me don't you run  
"Don't you run with scissors, son  
You're gonna hurt someone"  
Mama told me look before you leap  
Always think before you speak, and watch the friends you keep

Stay along the beaten path, never listened when she said

Sharp edges have consequences, I  
Guess that I had to find out for myself  
Sharp edges have consequences, now  
Every scar is a story I can tell

Should've played it safer from the start  
Loved you like a house of cards  
Let it fall apart  
But all the things I couldn't understand  
Never could've planned  
They made me who I am  
Put your nose on paperbacks  
Instead of smoking cigarettes  
These are years you're never getting back

Stay along the beaten path, never listened when she said

Sharp edges have consequences, I  
Guess that I had to find out for myself  
Sharp edges have consequences, now  
Every scar is a story I can tell

We all fall down  
We live somehow  
We learn what doesn't kill us makes us stronger  
We all fall down  
We live somehow  
We learn what doesn't kill us makes us stronger

Stay along the beaten path, never listened when she said

Sharp edges have consequences, I  
Guess that I had to find out for myself  
Sharp edges have consequences, now  
Every scar is a story I can tell

We all fall down  
We live somehow  
We learn what doesn't kill us makes us stronger  
We all fall down  
We live somehow  
We learn what doesn't kill us makes us stronger
