Linkin Park

1. When you feel you're alone  
Cut off from this cruel world  
Your instincts telling you to run  
listen to your heart  
those angel voices  
they'll say to you they'll be all good back home

when life leaves us blind  
love keeps us kind  
it keeps us kind

2. When you suffered enough  
and your spirit is breaking  
you're growing desperate from the fights  
remember you're loved  
and you always will be  
this melody will bring you light back home
