

Whole

Lion Babe

You should just save your breath, homie
And shut up
And I should be taking so much less from you
I finally think I've grown up
I'll be honest with you
I think I'm falling for you

There's no one else I would take this from
Better count yourself lucky cause somehow I stay calm
There's no one else I would take this from
Better count yourself lucky cause somehow I stay calm
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh

If you don't like me real, I don't know
How you're gonna make me feel whole, whole
If you don't like me real, I don't know, I don't know
How you're gonna make me feel whole, whole, whole

I should just say a prayer for you
Cause you're full of
You know you're not bringing out the best of me
I think you need to watch yourself

There's no one else I would take this from
Better count yourself lucky cause somehow I stay calm
There's no one else I would take this from
Better count yourself lucky cause somehow I stay calm
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh

If you don't like me real, I don't know
How you're gonna make me feel whole, whole
If you don't like me real, I don't know, I don't know
How you're gonna make me feel whole, whole, whole

Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
Oh-ohh-oh, oh-ohh-oh
There's no one else I would take this from
Better count yourself lucky cause somehow I stay calm
