

On and On

Lion's Share

Oh hear my call, want some changes to come
But don't get me wrong I don't regret the things I've done
So I push on, don't know what I am looking for
Don't have the answers any more

On and on I go
Everything I try to change remains the same
Round and round and back again
Believe me, I need some changes.

I can't believe this is how it should be
But I carry on 'til I am falling to my knees
There's got to be some way out of this misery

Some way to go that I don't see

On and on I go
Everything I try to change remains the same
Round and round and back again
Believe me, I need some changes
