

Change

Lionel Richie

Oh my love
You say nothing's wrong
You say you love me
What we've got is so strong
But I know someone else
Is loving you
Baby if you don't really love me
Just say we're through

You know I had to realize
Your love was just a game
Oh change
Now I've got to take time to stop
And rearrange
Change
I've got to walk away from you
Before I lose my mind
I need a change
Cause all I'm going to do with you is
Just keep wasting time

Did you lie when you said
Your love was mine
Or was I being foolish
Cause my heart was blind
Sometimes I feel like
Just holding you would make things okay
But now I see
The price of loving you
I'll have to pay

You know I had to realize
Your love was just a game
Oh change
Now I've got to take time to stop
And rearrange
Change
I've got to walk away from you
Before I lose my mind
I need a change
Cause all I'm going to do with you is
Just keep wasting time

Somebody said you don't love me no more baby
I don't know why you're hurting me
The way you're hurting me
Right now I know the truth about
You and your new lover
I'm running for cover
So you can say what you want to say
Say what you're gonna do
I can't stand the way you treat me
I'm giving up on you
